Website Development Project Minutes

Telecon was held on: May 15, 2012, 8:00 PDT, 17:00 CEST
Participants: Sean Kelly, Sean Hardman, Emily Law

Meeting Summary:

The latest IPDA demo site was updated by Sean Kelly incorporated input from last telecon. It's available at: https://ipda.jpl.nasa.gov
We walked through the different pages and made comments, mostly requests of minor changes to have the pages more consistent.

Action items:
1. Kelly to incorporate inputs received by end of this week.
2. Kelly to send email to let the working group know when the update is ready for review.
3. Emily to remind Duc to request IT security scan.
